

<b>"I CAN " HEALTH /MENTAL HEALTH</b>	<b>"WE CAN" HEALTH/ MENTAL HEALTH</b>	<b>"THEY CAN" HEALTH/ MENTAL HEALTH</b>
take mental health first aid class (X 5)	DNA sponsor mental health first aid classes (X 2)	need secure residential and inpatient treatment facility with integrated transition services
I can provide a place for a mental health first aid class, St. Stephen's Episcopal Church, Clay Street, 503-519-2645	DNA, FACILITATE A DNA group with Cascadia behavioral health, mental health first aid training	Universal health care covering medical and mental health
I am able to be responsible and ask for help	Attend a mental health first Aid training	more culturally competent behavioral health providers in the region
	Let's use models from other areas, (geographic or disabilities)and modify those to meet needs of those with mental illness or aging	Add more mental health professionals to help heal the trauma experienced in homeless situations during the shelter process
	DNA arrange a DNA group Cascadia Mental Health First Aid Training	Sage consumption sites
	WE can sponsor Mental Health First Aid Training event here at First Unitarian Church, Julia Griffith	more folks trained to use naloxone
	Schedule Cascadia MH its Aid training for DNA	medication holding center so individuals can keep up with dosages
		Why not fund all ED's to care for all people who are homeless and have health issues
		Mental health first aid in the community and in HF buildings for residents

<b>"I CAN " HEALTH /MENTAL HEALTH</b>	<b>"WE CAN" HEALTH/ MENTAL HEALTH</b>	<b>"THEY CAN" HEALTH/ MENTAL HEALTH</b>
		Mental Health services in all Emergency Departments
		What does a mobile emergency room look like? "Mobile" time frame? Daily, weekly, monthly, How long do they park somewhere?
		Community Mental Health monthly check-in relationship-
		Injection/consumption Centers, decriminalize drugs and push for support rehab.
		More mental health facilities, hospitals, fewer restrictions for length of stay in hospital by court
<b>"I CAN" CHILDREN</b>	<b>"WE CAN" CHILDREN</b>	<b>"THEY CAN" CHILDREN</b>
Find out more about treating children in their first 1000 days of life	Early Mental Health Intervention to prevent Middle School Children showing mental health issues early	Preventing trauma, preschool, helping children report their personal issues re: neglect, treatment by parents or relatives
Help families in our schools that are struggling	subsidized day care	Focus on families , women with children, also dads, coming out of incarceration, reinstate families, (preservation reunification) Project
lobby whenever you have access to program treating children in first 1000 days of their life	Create family units, (not blood related) when elderly take care of children while parents work	Increase funding for pre-natal care and preschool education, free preschool

" I CAN" PUBLIC SAFETY, CAMPING AND TRASH	"WE CAN " PUBLIC SAFETY, CAMPING AND TRASH	"THEY CAN " PUBLIC SAFETY, CAMPING AND TRASH
Visit Central City Concern to learn more about what they are doing, especially regarding housing first model	Insist more involvement of non-profits sponsoring social enterprises around major issue of a community	Greater Social Service Agency Collaboration, reduce siloing
Go to Visit Jean's Place and Dignity Village	Provide more clean and safe services for Old Town and Downtown. The current level is not enough	Need people to have an address so they can apply for a job. People need appropriate clothing and show availability.
Call the Portland Street Response!	use Portland street response. <a href="http://www.portlandstreetresponse.org">Www.portlandstreetresponse.org</a>	Pay sustainable wages to peer support specialists and case managers and mental health counselors so we can recruit of them to meet community needs.
	Create one point contact for homelessness issues and information so folks can reach out for all necessary info/without relying on their own networking availability	Expand the social enterprises to be more culturally specific
		SAFETY: remove drug dealers from the streets of old town specifically 6th and Flanders. They prey on homeless and recovering.
		public restroom in every park, and accessible 24/7

" I CAN" PUBLIC SAFETY, CAMPING AND TRASH	"WE CAN " PUBLIC SAFETY, CAMPING AND TRASH	"THEY CAN " PUBLIC SAFETY, CAMPING AND TRASH
		more public loos
		More hygiene trailers, places and systems. #1 hygiene
		More public restrooms and showers now! Less expensive one, like Europe
		More public restrooms
		Reopen bathrooms now closed
		Adopt aa loo program, private sector contributions
		Add more public toilets, showers, and laundry facilities
		Provide a safe place for homeless to park shopping carts and backpacks during the day
		Expand the city's day storage options for individuals experiencing homelessness. A place to stow belongs to go to a job, etc.
		Safe secure parking spots for shopping carts etc. to allow homeless to seek jobs w/o carrying baggage

" I CAN" PUBLIC SAFETY, CAMPING AND TRASH	"WE CAN " PUBLIC SAFETY, CAMPING AND TRASH	"THEY CAN " PUBLIC SAFETY, CAMPING AND TRASH
		Fund Portland street response
		Portland Street Response pilot. Monitor success in Lents to consider expanding
		Change the way we organize our fiscal budget from enforcement to support
		Always worried about access/needs assessments with programs. Why not just bluntly help all people through robust budget reallocation.
		Assess homeless expenditures by tax dollars. Confirm that programs are reducing homelessness, mental health issues, drug addiction, and where possible moving people to lead sustainable lives.
		free public transportation. How can we reduce all of our necessary costs to leave more for "desire and choice costs."
		remove budget of security/ticket enforcement to offset the cost revenue of ticket costs

" I CAN" PUBLIC SAFETY, CAMPING AND TRASH	"WE CAN " PUBLIC SAFETY, CAMPING AND TRASH	"THEY CAN " PUBLIC SAFETY, CAMPING AND TRASH
		free parking for nonprofits and faith communities. (spent \$500 last year on parking)
		Deal more effectively with trash situation. This really impacts hygiene and quality of life.
		Facilitate all individuals at risk and in need for home wellness program, practice, plan. Ensure everyone and anyone able to maintain autonomy by reducing all barriers for anyone to access resources for community home wellness.
		Create a City Citizen Ambassador database to assess and provide information about home wellness for all individuals and residents in Portland
		Pre-home wellness practices. Citywide campaign to provide all community members and residents with resources that presuppose at risk factors like health crisis, natural disasters, job loss etc.
		Provide all Portland Residents and businesses and visitors with home wellness values and practices
		Police, stop harassing homeless! Stop putting homeless in jail as a solution.

" I CAN" PUBLIC SAFETY, CAMPING AND TRASH	"WE CAN " PUBLIC SAFETY, CAMPING AND TRASH	"THEY CAN " PUBLIC SAFETY, CAMPING AND TRASH
		Integrative solutions: Step one medical, Step two Mental Health, step three housing, step 4 counseling
		Make sure all communities in Oregon have services for homeless so that people don't have to come to Portland to receive services
		Bring technology to homeless in more places than just the library
		Department of Human Services, self sufficiency, child welfare, getting more involved in decision making and planning for solutions
		The can decentralize, neighborhood based recovery and homeless shelters
		Balance low income properties all over the city. The concentration of subsidized housing and services in Old Town and Downtown does not help the city or people that are homeless.
		Services to keep people in housing, intervention before homeless, how to identify them is an issue? For example, find those that are spending 50% of their income on housing, offer prevention strategies
		Implement Neighborhood Parking Permitting out to 82nd Ave. The revenue could buy more behavioral health treatment beds, with income exemption

<b>"I CAN" EDUCATE</b>	<b>"WE CAN" EDUCATE</b>	<b>"THEY CAN " EDUCATE</b>
Educate others about the issues surrounding the creation of affordable housing and facilitate community involvement	Homeless Count can be more inclusive, useful, accurate. How to identify and standardize the classes and types of people counted and their condition. Beyond that model after who does this well, i.e. Audubon bird count	Actually have people experiencing homeless intentionally invited to these sort of events, through canvassing, word of mouth and quarter sheet. Access ability/incentives for those not as easily able to attend these events.
Continue to learn	breaking hyper stratification of income/housing status/types, constant us v. them, its distracting and counterproductive and harmful	Post Video of this event and tell us where we can stream.
stay informed	Promote more forums for homeless people to talk to community groups, this was the most informative part of today for me/	The DNA can repeat this forum annually during this crisis in homelessness downtown.
educate WITH CORRECT NARRATIVE ABOUT THE HOUSELESS	subsidized community college training	Provide personal finance education as a part of every middle school and high school education. This is more important than geometry or calculus
Educate myself	Integrate curriculum about healthy relationships, i.e.. Consent to respecting women at schools, (prevent trauma from abuse, i.e.. Sexual abuse)	Can this event be replicated in other parts of the city and are you as an organization willing to help support other neighborhood associations or coalitions or entities who would like to have similar events? Since homelessness is a citywide issue, the opportunities for brainstorming solutions should be city wide.
Learn about causes for homelessness/house lessness and investigate solutions	Educate public about organizations that supply, and provide services food and clothing, carry card	
Learn more, ask questions, share information with friends	Understand when it is not our job to call 911	

Research other types of housing incentives in other places	Education, short bursts, community, Education of others to this issue. More Forums, movies, plays, music regarding subject	
<b>"I CAN" EDUCATE</b>	<b>"WE CAN" EDUCATE</b>	<b>"THEY CAN " EDUCATE</b>
Engage homeless persons in conversation to learn of individual experiences and try to be helpful by becoming informed of the issues and possible	We can challenge our assumptions about who the homeless really are and be will to take responsibility as a	
Connect people on the street with shelters. Some homeless don't know there are resources that can help	service providers, need them to take larger initiative in a hearts and minds campaign	
	invite property management companies and their staff to come to a forum like this	
	Train community members to be support for other resident if no formal resident services	
	Educate neighborhoods throughout Portland with programs such as this. Break down barriers, break down myths, and misperceptions	
	Include neighbors without homes in conversation process	
	Get the next generation educated, engaged, and involved in solutions. Connect students with organizations that humanize and serve the homeless	

<b>"ICAN" DONATE</b>	<b>"WE CAN" DONATE</b>	<b>"THEY CAN" DONATE</b>
Make more charitable donations	Support the small nonprofits with fundraising efforts they are doing on their own	
Donate to service providers in my community	Use trusted group to qualify/vetted and then recommend charities that need money, (and for what) and volunteers to do what	
BUY street news/STREET ROOTS (X 2)	Provide backpacks to unsheltered to help them keep their most important items safe.	
BUY STREET ROOTS, AND TALKING TO THE vendors, really getting to them by name		
Should I donate to organizations to assist homeless, Which ones?		
Donate (X2)		
Contribute to organizations that are helping to address homeless issues		
Invest in organizations that create housing		
Give to nonprofits that help		

<b>"I CAN" HOUSING</b>	<b>"WE CAN" HOUSING</b>	<b>"THEY CAN" HOUSING</b>
Create home share Program, I am a policy project manager	Provide database of Shared Housing	Consider change to city code to allow affordable housing to be built faster
Share my house with a low income person	shared housing	Enhance legal services for tenants facing eviction or conflict with landlord and property management companies
rent a room to a low income person	Make temporary space available in our homes, (approved tenants) students in particular	Create a House share program like Arizona
Offer shelter for immigrant family and friends who do not qualify for other housing options, so as to prevent from becoming homeless	Create home share program to pair low income people and prevent homelessness	Be willing to adopt various designs for affordable housing that is far less expensive than what current building codes allow. There are numerous designs out there to select from.
Help City include affordable housing in new developments	Why do we focus on trying to pay (subsidize) ridiculous rents and fees rather than dealing with the root cause of overpriced housing, rental and fees?	Require low income housing (25%) in an apartment complex's
Recognize the need for different types of housing/services for different homeless /unhoused subgroups in my work as a policy analyst	Explore reasons for rent increases and address them. Greed? Property taxes? Not many controls? Market driven?, no limit on nickel and diming fees? More outsider investment properties driven by	Many new apartment buildings have a lot of empty units . Could public agencies contract at maybe below market rents for 6 months (or preferably longer) low income tenants.
I can use my resources as a homeowner to provide an affordable place to live for someone else. This could be as a roommate in my home, or if I ever own a second home I can maintain affordable rent. A landlord did this for me, he never raised my rent in 12 years as a tenant.	sanctioned campgrounds with services in every neighborhood	Create alternative locations for camps, that are safer for campers/noncampers and also include services that support people to move out of camping and into permanent housing,

<b>"I CAN" HOUSING</b>	<b>"WE CAN" HOUSING</b>	<b>"THEY CAN" HOUSING</b>
How do we create a place to live for homelessness	more dignity villages	More self governing homeless villages, like Dignity Village. Use a city golf course for multiple villages.
I am going to support rent controls that don't disincentivize housing creation	Encourage city to maintain existing housing, moderate and low income housing and not let it be demolished for new development	City could work to stop allowing developers to "buy out" of including affordable housing in new projects.
	How to discover and close loopholes on rehab/remodel or new construction of apartments which are presently exploited to avoid including affordable units, storage,	Streamline and lower cost barriers for permitting processing. Fund through different mechanisms
	Shared housing opportunities, not just for recovering addicts	City can streamline permitting process for affordable housing
	Benchmark "halfway houses" from the criminal justice system to see what could apply in this situation.	Stop issuing permits to build housing that is not affordable
	Build "SRO" Boarding House, Dormitory style for young/elderly not just those needing supportive house.	Warehouse and industrial buildings, can they be converted to affordable housing
	home share	home share solutions

<b>"I CAN" HOUSING</b>	<b>"WE CAN" HOUSING</b>	<b>"THEY CAN" HOUSING</b>
	DNA advocate for rental assistance in concert with Portland Pilot Project	Collect and report data on available stock of each kind of housing across the continuum, city, county and available units in general.
	Could there be a small remodel loan to update a room in your house, (add bathroom etc.) for home sharing	How can the city change the current 2025 City Plan to shift for developer profits, only to provide fewer luxury high-rises instead
	Support structural change in the housing system- like community land trust model	Permanent housing for each neighborhood district and close to transit and resources
	How can we as community members and neighbors reduce stigma? What does it take to diversify the kinds of housing stock	Create long term shelter options
	more Jean's Places	People in affordable housing equal to prevent people who have demonstrated living within rules, no rent increases after certain age or time.
	regulate property Management Companies	Provide enough housing dignity villages, shelters, camping sites in every neighborhood so that we can make camping on the street, not on option, and not allowed.
	Choose to discourage "BNB" type short term rentals and use extra space ADU's or apts. For longer term rentals	More housing that is transitional, with supports (social services, medical access, job, educational counseling

<b>"I CAN" HOUSING</b>	<b>"WE CAN" HOUSING</b>	<b>"THEY CAN" HOUSING</b>
	We can identify ways to better utilize "tiny houses" in the city and county	Put a cap on private housing growth
	Stop using tax payer dollars to subsidize development of market rate housing	Why are there not more dignity villages
	advocate for locally funded rent vouchers	Can Ground Score be hired to help hoarders to clean room for inspections
	Better support for those living in vulnerable housing , advocate for safe and healthy housing environments where is no drug and other unsafe activity	Encourage more multifamily cooperative ownership, community land trust housing
	do those in specialized housing 'work' within or get job training once improved?	If S.F. homeowners build second houses on in their yards require that they rent long term to residents and not to short term Air BnB,
	Expand the Home Share concept through the News Media, tv, newspapers, street roots, and Willamette Week	Require renovated housing to be affordable and other affordable housing development loopholes
	Every affordable housing building needs resident services coordinator to support/advocate for residents	Wapato Jail redesigned as a treatment center for addicted homeless people

<b>"I CAN" HOUSING</b>	<b>"WE CAN" HOUSING</b>	<b>"THEY CAN" HOUSING</b>
	Provide property tax reductions for landlords who provide low income housing	Home sharing, reactive form of cohousing and social housing, how can we frame this positively, networking, social media, website, peer support.
		Check New Zealand, Maori refugee housing, as temporary housing options for Portland
		Do not allow developers to buy out affordable housing
		Combine home share programs with a stipend for the owner to provide a degree of caretaking for sick and disabled elderly homeless
		Have the city provide funding and infrastructure for self governed villages as an alternative to shelters
		Incentivize construction of tiny houses that homeowners could site on their property and rent assistance for low income renters
		Limit overproduction of market rate housing used as tax havens by remaining empty. Encourage transformation to alternative development
		Scattered but small supported camps, until we solve the affordable housing issue. Keep the areas clean and supported rather than spending money on sweeps. Lane County has a great model.

<b>"I CAN" HOUSING</b>	<b>"WE CAN" HOUSING</b>	<b>"THEY CAN" HOUSING</b>
		Spread housing to all neighborhoods in the city. Stop the concentration of services and low income housing in a few Portland neighborhoods
		Minimize SDC fees and provide assistance to developers to fast track affordable housing projects
		Brownfields??? Can we build affordable housing on them?
		Remove barriers to access affordable housing
		Incentivize construction of tiny houses that homeowners could site on their property and rent assistance for low income renters
		Incentivize developers to build affordable housing
		<b>Visible homeless, more official campsites, small, fenced, porta potties and trash cans secure, now allowed to camp on public property.</b>
		<b>Invisible homeless: track numbers, house share program, rental assistance</b>
		<b>Utilize church and other properties for organized camps, not a new idea but can be done more to remediate problem of people in the streets</b>
		<b>limit/outlaw air bnb's</b>

<b>"I CAN" HOUSING</b>	<b>"WE CAN" HOUSING</b>	<b>"THEY CAN" HOUSING</b>
		Use planning permits to enforce construction of affordable housing, builders need to stop construction of high income units
		sanctioned homeless camp in communities
		multi generational home sharing a possibility for age related disabilities, put programs together, needy renter/caregiver, and visa versa
		regulate landlords and their property management companies
		build affordable housing that are built low enough so tax payers are not burdened with more bonds to pay for them
		Establish tent camps with restrooms and showers
		stop the commoditization of housing, create laws that keep housing costs low and affordable
		focus on more shelters and less public housing. We have to remove barriers first, then permanent affordable housing
		no limits on shelters
		house share

<b>"I CAN" HOUSING</b>	<b>"WE CAN" HOUSING</b>	<b>"THEY CAN" HOUSING</b>
		designated tent cities in every neighborhood
		Increase long term permanent affordable housing solutions
		Focus resources on building affordable housing as high priority
		Distribute low income housing throughout the city and county
		Build sanctioned camps to provide temporary communities with facilities for the homeless while permanent affordable housing is being constructed
		housing first
		extend shelter stays when an individual is showing progress
		decrease barriers for people with criminal records related to drug use and mental health to apply for housing
		increase low barrier housing, (not sobriety dependent)
		incentivize developers to have 20% affordable housing or more, without hindering development
		Team up with technical high schools to build movable tiny houses to place in available back yards for low rents.

<b>"I CAN" HOUSING</b>	<b>"WE CAN" HOUSING</b>	<b>"THEY CAN" HOUSING</b>
		Incentivize owners of new higher end apartments buildings to release a portion of their vacant units to affordable housing
		Tax on "high income" housing to directly fund rent assistance programs for low income earners.
		Revise way affordable housing is funded. Instead of tax credits and section 8 have each jurisdiction pay a certain percentage of cost no matter whether \$8million or 8 million dollar development. AND Streamline housing development process.
		Create communities with a blend of short term shelter, mid term housing, and even permanent residences in which community members provide support for others within the community
		base more homeless programs on self governance such as Dignity Village
		Dignity Villages throughout the City
		Tax on vacant housing, Vancouver BC
		What about temporary housing units that are like storage units? Very basic but insulated.
		Medicaid pays for housing in Boston
		Create more high barrier shelters so people are expected to change their habits. Training programs with every shelter.
		Credible, vetted placements, a broker that facilitates the roommate process, House sharing!.

		<b>They can build public housing, and stop subsidizing private sector landlords with rent subsidies.</b>
<b>"I CAN "VOTE</b>	<b>"WE CAN" VOTE</b>	<b>"THEY CAN" VOTE</b>
Can support public services via levees and taxes	support tax breaks that encourage ho	Increase minimum wage via voting and businesses
Vote for stronger and compassionate public leaders	VOTE!, write lawmakers, continue the conversation	Is DNA going to develop and establish an advocacy arm to liaison with Salem legislature
Vote	Pass the Here Together Tax 2020	Make more info available publicly about city and county bond measures and projects that are underway from the city and county
Canvass for public housing bonds		abolish art tax for retirees and disabled
Lobby for annual Oregon Network Tax		Create a balanced tax system, sales tax/income tax. Housing should not be the primary source of taxation.
I will not protest affordable housing in my backyard, "no nimby"		disallow tents in public spaces, (dirty and unsafe)
Support initiatives for rent support from federal, state or city		
Advocate for taxing rich		

<b>"I CAN" EMOTIONAL SUPPORT</b>	<b>"WE CAN" EMOTIONAL</b>	<b>"THEY CAN" EMOTIONAL SUPPORT</b>
BE courteous to all people I pass on the street	Stop "othering people experiencing homelessness and using "them" and "us" and "they" need to be included in "us"	Engage with at risk communities and home wellness individuals with respect and dignity. Support personal empowerment and responsibility. Invite them into conversation to solve challenges.
Empathize with all my neighbors	"Preschool for all initiative, free up resources for families, poverty alleviation, improve academic success, help women participate in workforce	
Be aware of surrounding community	WE can talk to friends and family about the realities of homelessness vs. myths perpetuated by media	
I can find phrases and topics to engage in more conversations with the homeless	peer counseling	
Continue to help on a micro level, instead of just walking by, one example, allowing someone to charge their phone in our lobby because he was waiting for a call related to housing, not going to solve the entire problem but helped one person	One of the reasons folks don't leave the street is that they cannot bring their pet. Their emotional support with them. Is there a way someone can help certify these emotional support companions so that they are allowed in housing?	
I can care more about people in my life	reframe goals, homelessness to home wellness, inviting possibility to shift fear based thoughts to positive	

Respect my houseless neighbors as I respect anyone else	Change mentalities so everyone as human. "They" are "us" How would I want to be treated in the same situation?	
<b>"I CAN" EMOTIONAL SUPPORT</b>	<b>"WE CAN" EMOTIONAL SUPPORT</b>	<b>"THEY CAN" EMOTIONAL SUPPORT</b>
BE kind	be kind	
Friend and family check-ins and support network		
I can understand and feel good about respect and dignity		
Ask, How do you plan to take care of yourself today? 1. physical, 2. emotional, 3. mental, 4. community self	We can ask empowering questions: How do you plan to take care of yourself today, 1. physical, 2. emotionally, 3. mentally. 4	
I can practice self love and care on a daily basis		
Empathize with experiencing homelessness		
I feel good, hope is here		
I can make eye contact!		

<b>"I CAN' VOLUNTEER</b>	<b>"WE CAN" VOLUNTEER</b>	<b>"THEY CAN" VOLUNTEER</b>
Volunteer		
Get more involved		
Volunteer at Rose Haven and Sisters of the Road 1X a month		
Visit and talk with my neighborhood association and find out their approach, suggest new ideas		
I can continue to collect garbage in Rocky Butte		
VOLUNTEER TO DO MEAL SERVICE Buy meal vouchers to Sisters of the Road Care and give those to people in need of a meal,( who may get connected to services to)		
Take my warm unused clothes for women directly to the women's shelter, a block away		

<b>"I CAN" OTHER</b>	<b>"WE CAN" OTHER</b>	<b>"THEY CAN" OTHER</b>
<p>Normalize access to services, (food access, utility assistance), frees up disposable income if services are accessed. *People often do not access services because they feel ashamed. Not accessing services could push folks off margins.</p>	<p>let's talk about how white supremacy and structural racism contribute to the problem. It's not simply providing housing.</p>	<p>City should be realistic and not calculating in identifying "blighted" or "urban renewal districts." Many of these result in upscale business and apartments and some resemble gerrymandering.</p>
<p>PUT AN SDU IN MY YARD</p>	<p>look for partnerships that permit innovative solutions, e.g., work with local high schools students to build tiny houses</p>	<p>Specific approaches to pieces of a major challenge can be coordinated to address larger issue. This conference seems to support exactly that approach</p>
<p>Help the elderly stay in their homes by helping them with minor repairs and connecting them with services for major repairs</p>	<p>Consider the need to tailor services to particular /unique needs of each person experiencing house lessness</p>	<p>Benchmark cities where there is no homeless problem</p>
<p>Let folks know about no banner needle exchange sites and health facilities</p>	<p>work place assistance for employees for Prevention</p>	<p>Form National Consortium to learn other successes nationwide</p>
<p>I will greet and thank police in my neighborhood and tell them of my support.</p>	<p>We can meet again to wrestle with these ideas and prioritize them. So we an then come together in working groups to start creating solutions together</p>	<p>Use public benefit records / food stamp recipients) to get more accurate count of homeless population</p>
<p>Give coupon mailers I don't want to someone in need</p>	<p>subdivide the Downtown Neighborhood into super small geographic areas</p>	<p>Can the City provide consolidated data online on the homeless. Need to reconcile 5500 vs 38,000</p>
<p>Develop a hospice/palliative care program for houseless</p>	<p>We can educate and advocate for lack of palliative care in community</p>	
<p>Help publicize a new program at First Methodist Church downtown, housing for homeless, PSU students</p>	<p>we must find a place for tree palliative care for homeless. Dying people</p>	

<b>"I CAN" OTHER</b>	<b>"WE CAN" OTHER</b>	<b>"THEY CAN" OTHER</b>
<p>Petition my office to provide technology support, cell phone charge, internet access, phone use to homeless through publicly accessible WIFI, or creating a kiosk/station for them to use</p>	<p>Big Brother, Big Sister type service that partners homeless with another person in order to foster a more integrated community</p>	
<p>Buy gift cards to Goodwill and distribute to people in need. The dollars go back into community to fight poverty and people can get a</p>	<p>offer free WIFI</p>	
<p>As a policy analyst, pay attention to how I define and count homeless, unhoused population</p>	<p>stop calling the police on homeless</p>	
<p>I can share data</p>	<p>Apple/Android offer small exchange (returned device) for smartphones that aren't anything, which would then be donated to homeless</p>	
<p>Divest from fossil fuels and the greediest corporations .</p>	<p>Smartphone Collection, nonprofit smartphone collection of old phones for homeless, with free education on setting up Apple ID or other Cloud ID to use of APPS that connect them to medical services. Offer free cloud storage services for medical and legal documents.</p>	
<p>Invest in businesses that create structural change</p>	<p>Create joint activities of homeless and housed, like choir, gardening</p>	

<b>"I CAN" OTHER</b>	<b>"WE CAN" OTHER</b>	<b>"THEY CAN" OTHER</b>
	<p>Dedicate community gardens to the unsheltered teach growing skills and provide healthy food options to them. Create a sense of community and accomplishment through nurturing the garden. "Good things come from the Garden.</p>	
	<p>All, esp. homeless could benefit from better and more restrooms. Present loos are not designed for easy entry and are not numerous. Terrible for groups. Restrooms should be managed, safe, clean,. Outsource this so several can be manned and user friendly.</p>	
	<p>Don't know if this falls in the "navigation Center" rubric, but a place that will launder clothing for tokens could help self respect, job</p>	
	<p>Pressure language and law change. Civic engagement plus productive protest</p>	
	<p>While considering solutions for needs of homeless and transient community that are shared needs w/balance of community and visitors, why not work with other larger bureaus and agencies for all.</p>	

	COORDINATE!	
<b>"I CAN" OTHER</b>	<b>"WE CAN" OTHER</b>	<b>"THEY CAN" OTHER</b>
	How will census data collection reflect our unhoused population?	
	American Dream. Culture, community, neighbors. How do we start/facilitate that conversation. (You have to join the beat to change it.) Let people realize how much they actually enjoy/need community	
	Can we as businesses assign "addresses" for those without permanent address yet, to avail themselves of services such banking, check mail, etc.	
	set expectation that every faith community engage in homeless work in one of "X" ways. Identify key ways within the neighborhood.	
	Look at other cities and jurisdictions for realistic implementable solutions. Stop trying to reinvent the wheel!	

<b>"I CAN" OTHER</b>	<b>"WE CAN" OTHER</b>	<b>"THEY CAN" OTHER</b>
	<p>We can develop a way to provide a "letter of recommendation, so to speak, to give our neighbors living in a tent near our business or church or home who are doing their best to keep things clean, quiet, being a good neighbor. This could be an incentive and something that transitional service agencies could look at.</p>	
	<p>Find ways to support individuals who need help access health care and having access to their medical</p>	
	<p>SNAP APPLICATIONS</p>	
	<p>Create Vision Board and set deadline to practice what, when, where, how, who and why community home wellness feels like, looks like, experience of safety, self care and community health and well being.</p>	

<b>"I CAN" BUSINESSES</b>	<b>"WE CAN" BUSINESSES</b>	<b>"THEY CAN" BUSINESSES</b>
		Encourage businesses to open up bathrooms to public, E.G. Starbucks
		More businesses investing in social enterprises, low paying jobs, trash clean-up, monitor bathrooms etc.
		If homeless people are working in businesses, business needs to help these individuals find and secure housing, and pay them enough to sustain living there.
		free WIFI for all Portlanders
		Oregon tops nation in growth of million dollar incomes, they can help.
		Oregon's ultra rich sets new records, they can help.
		Regional Business Association structure for all resources/housing, etc., How can the region be more holistic/efficient in design and implementation. Government facilitation.
		pay higher wages to catch up to cost of living
		businesses show support /post signs saying everyone welcome (inclusion) should include neighbors without homes

<b>"I CAN" BUSINESSES</b>	<b>"WE CAN" BUSINESSES</b>	<b>"THEY CAN" BUSINESSES</b>
		<p>Internship paid for homeless by employers in geographic area, not just menial job, create a working community for everyone</p>
		<p>Construction Companies and Utility Companies, Incentivizing to build buildings energy efficient and decrease burden of utility costs for renters. Frees up disposable income for people to remain housed</p>
		<p>Businesses should determine, when possible, if they have anyone working within their organization that is homeless, and develop a strategy to assist homeless employees to find housing.</p>
